Dear Luke,

I am pleased to inform you that the United States Department of Justice has fully executed the above-referenced Settlement Agreement after review of and response to public comments received. As you are aware, the Settlement Agreement has been revised slightly in response to public comments, so that Paragraph 33 now requires Bunker Hill Mining Corp., within five years, to obtain an NPDES permit and arrange for treatment of all Mine discharges by an entity other than EPA. I

will send you the fully executed revised Settlement Agreement tomorrow. In accordance with Paragraph 79 of the Settlement Agreement, the Effective Date of the Agreement will be tomorrow, May 15, 2018.

Thank you for your cooperation and your good humor throughout this process.

Sincerely,

Fred Phillips
